

“Who’s got time to plan?”

“Truth is, I’m busy enough just building this business—the future seems so far off.

But I know it will be here. And whether I decide to sell the business or pass it on, I want to be smart about it.

That’s why Connecticut Mutual is helping me plan for my business’ future, right now. So when the time does come, we’ll be ready, with no surprises and as many options as possible—for me, my family, and my employees. It’s the only way to make sure I get everything out of this business that I put into it.”
